Our Topics this term...

- Vehicles
- People who help us
- Christmas
- Children's interests

This term our topic is 'Vehicles'. We have talked about different kinds of vehicles such as fire engines and the children have created some lovely artwork around this topic. Mr Devey, a police officer, came to visit the children with his police van.

We hope you are finding Tapestry to be a good link with school. We are updating it regularly. We have enjoyed reading about learning at home so would like to thank you for sharing photographs and stories about what they have been doing at home. All this information is of great value to us and it is used in assessments of your child's progress.

Phonics

Well done to all the children for learning the letter sounds. They are very confident and we are so proud of them! We will soon start learning the letter names by singing the alphabet song.

Digraphs

We have started to learn new sounds called digraphs. These are two letters together that make one sound such as **ch, th, oo, sh**. We will let you know which ones we are learning in the home/school journal. Please come and ask if you have any questions.

Nativity Play

If you have been allocated tickets that you no longer need, please can you let school know as soon as possible. **We are limited with how many people are allowed in the hall due to health and safety reasons.**

Nativity School Trip Monday 3rd Dec

Please ensure your child is wearing warm clothing. We are walking to Bethlehem so need to be prepared for all kinds of weather!
We will leave at approx. 9.15pm and will be back in school for home time.

If any parents would like to volunteer to be a mystery reader for story time at the end of the school day, please see

Mrs Wilkinson

Please can you put your child's name in cardigans, jumpers, coats, hats etc. We have some lost jumpers so please can you check that you have the correct ones at home.

If you have any worries about your child in FS2, however small, please speak to a member of staff.
