Fundraising for the school crossing patrol

As has been the case for the last two years, the council is no longer funding the school crossing patrol outside school. After discussion with Governors, we feel it is really important that we still have this service and the risk to our children is too great to have an unmanned road directly outside school. We would welcome any suggestions from parents about how to fundraise for this. If you have any suggestions, please tweet us or pop into the office to let Miss Richards know.

As always, if you have any concerns at all, please pop into the office or phone to make an appointment. In the first instance this should be with your child's class teacher, but you are welcome to come and meet with me, Mrs Wilkinson or Miss Jackson if you feel your concerns need to be taken further.

Yours sincerely,

Mrs E Gill
Headteacher
